Identify gaps in the types of choices being offered?	
About your club/org easy difficult 1 week	6 weeks
About your club/org	
Create an inventory of needs to fill the gaps and that open up op training)	oportunities (eg, equipment, signage, transport,

training...)

About your club/org

About your community 

easy difficult

★ ★ ★ ★ ★ ★

Conduct community visits or similar to discuss and identify interests and needs that will enable participation.

Think about your role in facilitating improved choices for people in your community. Take small actions to modify existing practices so that more choices are offered.
